

Required dancewear and dance shoes must be worn to all classes. Failure to wear required dancewear to class could result in students being asked to sit out the class. It is important for all dancers to be properly dressed to allow freedom of movement and so that technique can be clearly observed by the instructor. Underwear and bras of any type (regular or sports bras) are not to be worn under a leotard. (For instances of necessity, please speak with the instructor or director - please note that even in these cases, undergarments should not be visible.) No jewelry should be worn (stud earrings okay).
