"Bringing the word of God Alive through the ministry of Dance!"

Opportunities for Company Dancers...

- Use your gifts and talents to minister to our community - in assisted living facilities, churches, & at other events through Dance & Drama!
- We are highlighting "The Story of Joseph" this coming year!
- Participants will gain ministry & performance experience, learn to be adaptable, share God's story, and be blessed in return!
- Placement Day for all participants - where we will learn dances and play acting games!
- Participants will receive multiple evaluations based on memory, technique, expression, and overall performance. This will help dancers to further develop dance skills and learn to apply valuable feedback.
- High School Junior/Senior mentorship opportunities!
- Company Performance with Community Fundraiser!
- Personal development and peer connections through our blessing buddies and Fruit of the Spirit program.
