Welcome & Thank You!

Thank you for joining us for our 21st Annual Dance Concert, "Peace!" This year, God has been showing us how He provides His peace in all circumstances. During the calm and in the center of the storm, He promises to provide for us. We pray that you will experience His love and calming Spirit here in this place today and take that with you! If you are interested in learning about what it means to have a relationship with Jesus, please reach out to us or a local pastor to learn more.

Thank you to all parents, grandparents, family members, caregivers, and friends for providing the opportunity for each student to dance with us! Your support of their endeavors here at MKS is so valuable as they continue on their journeys, learning and growing as amazing people each year!

Thank you to all the MKS Volunteers, Stage Crew, and Staff for helping to make the show a great experience for the students and their families!

Theatre Etiquette

No Food or Drink

The auditorium staff requests that all food and drink remain outside the auditorium. Thank you for helping them maintain a clean and high-quality facility!

Exiting and Entering

If you need to leave or enter the auditorium before the end of the concert, please note that the doors will be opened between numbers only. The outside light will distort the video quality & distract the dancers and other audience members. Thank you for understanding and helping with this!

End of Show

For the security and privacy of our performers, we ask that only one female with a ticket report to the dressing room area to pick up your dancer after the show.

Everyone is invited to greet and congratulate the performers in the lobby outside the auditorium after the show!
